(Unique Pre Primary Teacher Training Course)

**LEARN TEACHING BEYOND TEACHING!**

आम्ही शिक्षणाआधी विचार देतो कारण मग पुढे ते  
विचारच शिक्षण म्हणून ओढखले जातात...

The institute follows the Gandhi-Montessori philosophy of education. Principles of Nayi Taleem and the play way and sensory based methods of Madam Montessori have been clubbed and a unique course for aspiring teachers has been designed. Apart from the basic principles of early childhood education, teachers will be constantly upgraded with the latest methods of teaching based on the research in psychology and neuropsychology. This course gains uniqueness because of the Brain Based System Of Education developed by Educationist Sachin Joshi. Surely the teachers will be well equipped in unlocking the new doors of perception. The institute provides new strategies for creative thinking so that they can perform at their peak. The institute is committed in training teachers and giving them tools and techniques to sharpen their skills to enhance the quality of teaching and learning process.

## EDUCATIONIST

## SACHIN JOSHI'S IMPACT:

He is the youngest educationist in India awarded by the Limca Book Of Records. This award has been conferred upon him for his outstanding work in the field of education. He has developed the Brain Based System Of Education. He has blended education, child psychology and creativity in such a way that it assures individuals to be at their "Best". He is aware that this personalized grooming course will surely assist teachers to bring about "The CHANGE" in the future kids, who are the future of our country, India and the whole world on a larger scale.
