

Sr No	Lesson Name	Learning objectives/ Subtopic	Methodology	Pedagogical methods	Learning outcomes	Teaching Aids	Teaching Place	Reff.books with pg.no.	No.of lectures required	Class Activities /Diagrams / Map work
1	So many living things	Text book:- Lesson reading by Tr. & students.	Step 1 - Tr. Will read & explain the lesson. Step 2 - Tr. Will make them read the lesson one by one.	Reading by teacher & Students	Students will come to know about the concept of living and non living things	Various objects	Online Classroom	Tx. bk.Pg. No. 3 , 4 , 5	5	List 10 things that are living & non-living.
		W.B. Exercises: Search for living things:- 1-In the classroom 2-Outside the classroom	Step 3 - Tr. Will take the list of of living things present in & outside the class with students & will write correct answers on the B.B. & make them write in W.B.	Discussion & writing			Online Classroom	Pg. No. 3 , 4 , 5		Sticking the pictures of living & non-living
		W.B. Exercises:- Plants & animals before rain & after rain.	Step 4 -Tr.will draw the pictures of plants grow in water , climb on tree , animals move on ground , fly in the air on the B.B. Students will draw in W.B.	Discussion & drawing			Online Classroom			
		W.B. Exercises:- Name & draw Short questions.	Step 5 -Tr. will draw related diagrams on the B.B. Students will draw in W.B.	Discussion , drawing & writing			Online Classroom	W.B.pg no : 5,6		Name & Draw: Climber , Water plant , Animals move on ground , Animal Flies in air.

		W.B. Exercises:- What same what different? Play with words.	Step 6 - Tr. will discuss the similarity & differences & make them write in W.B. Step 7 - Tr. Will ask them to use the given words in their own sentences & will write on the B. B. Students will write answers in their W.B.	Discussion & writing				Pg. No. 7 , 8		Name & Draw : Animals live under ground , Hide under stones , climb on trees , live in water.
		Hard words from lesson (N.B.)	Step 8 -Tr. Will write hard words on B.B. & ask them to write & learn	Writing & learning in N.B.			Online Classroom	WB pg no . 9,10,11.		
		Revision	Step 9 -Tr. will revise the lesson orally.	Tr. & students interaction			Online Classroom	Tx.bk.pg. no. 5		
		Revision	Step 10 - Tr. will make them solve the work sheet in the class.	Worksheet Solving			Online Classroom			Oral revision & singing song related to living & non-living things . Role play
2	Looking at plants	Introduction	Step 1 - Tr. will show them different plants & their leaves. Ask them to observe the shapes , structure , colour of the leaves.	Discussion & Explanation	Students will come to know about the different parts of plants and their type too.	Different types of plants and leaves	Online Classroom		5	Making a herbarium
		Text book:- Reading by Tr. & students	Step 2 -Tr. will read & explain the lesson and make them read.	Reading by Tr. & students			Online Classroom	Tx.bk. Pg. no. 8, 9, 10		

3	Grow your own plants	Introduction	Step 1 - Tr. will ask students to bring different types of seeds available in the kitchen. Students will observe the seeds .	Seeds observation	Students will come to know about the process of growing their own plants by organic method	Different types of seeds	Online Classroom		6	Grow the plant of your choice and monitor the growth and maintain the record in your notebook. Draw the picture of the same.
		Introduction by showing video	Step 2 - Tr. Will show the video of germination of seed to them.	Discussion & Explanation		https://www.youtube.com/watch?v=18amLZ9vfG8 (AV room				
		Reading by Tr. & students	Step 3 - Tr. will read & explain the lesson and make them read. Step 4 - Tr. Will ask students to grow any plant at home & observe.	Reading by Tr. & students			Online Classroom	Tx.bk. Pg. no. 12 ,13 , 14		
		W.B. Exercises:- 1-Seeds in your kitchen 2- Plant a seed 3- Watch closely	Step 5 -Tr. will discuss 1-Which seeds do you get in your kitchen? with students and will write answers on the B.B. Step 6 -Will make them write correct answers in W.B.	Discussion & writing				W. B.pg. no. 17		
		W.B. Exercises:- Name & draw Short questions.	Step 7 - Tr. Will draw the pictures of any 5 plants grown by students, on the B.B. students will draw the pictures in W.B. Step 8 - Tr. Will discuss Q. A. & make them write in W.B.	Drawing & writing		Pictures of plants grown by students. (Wheat , corn , lemon, groundnut , rose)	Online Classroom	W.B. pg. no. 18 , 19		
		W.B. Exercises:- What same what difference	Step 9 -Tr. Will discuss Similarity & differences with students , will write on the B.B. & make them write in W.B.	Discussion & writing				W.B. pg.no. 19,20		
		Look , tell & write. Watch & draw your observation. My question.	Step 10 -Tr. Will make them write their observation in W.B. Step 11 - Tr. Will draw the stages of plant germination & make them draw & write one sentence on each. Step 12 -Tr. Will write question & answer on B.B.& make them write in W.B.	Drawing & writing				W.B. pg. no. 20 , 21 , 22		

		Class project submission	Step 13 -Tr. Will ask students to bring their plants in the class.	observation		Different types of plants	Online Classroom			
		Hard words from lesson (N.B.)	Step 14 - Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing & learning			Online Classroom	Tx.bk. Pg. no. 13 ,14		
		Revision	Step 15 -Tr. Will revise the lesson orally.	Tr. & students interaction						
		Revision	Step 16 -Tr. Will give them Worksheet to solve in the class.	Worksheet Solving						
4	Looking at Animals	Introduction	Step 1 -Tr. Will take the names of some animals we see around Step 2 - us & write on the B.B. Tr. Will discuss their characteristics & classify them accordingly. Step 3 - Tr. Will show them AV of animals around us.	Observation /Discussion	Students will come to know about the difference and their habitat, domestic animals and wild animals	Flash cards	Online Classroom		6	Draw the pictures of two domestic animals and two wild animals in your notebook. Write about their eating habits.
		Text book :- Reading by Tr. & students	Step 4 -Tr. Will read the lesson & explain. Step 5- Tr. Will make them read the lesson.	Reading by Tr. & students, Explanation.			Online Classroom	Tx.bk.pg. no. 16 , 17 , 18		
		W.B. Exercises:- 1-Who got the food. a. Watching ants. b. Watching larger animals. 2- Flower visitor 3- Birds	Step 6 - Tr. Will discuss about the ants 1- Which insect go to the sweet first? 2- Where are they come from? 3- How they hold the food? & will make them tick the correct answers. in the W.B. Step 7 - Tr. Will discuss about 4 legged animals , insects & birds with them & will write the answer on B.B. & will make them write in the W.B.	Discussion & writing			Classroom	W.B. pg.no. 23 , 24 , 25		
		W.B. Exercises:- Name & draw Mask making project	Step 8 - Tr. Will draw the pictures of different animals & will make them to draw in the W.B. Step 9 - Tr. Will give project to make animal masks .	Drawing the pictures		1-Pictures of 2- 4 ,6, 8 & many legged animals.		W.B. pg.no. 25 , 26		

		W.B. Exercises:- 1-Short questions. 2-What same what different. 3-Odd one out.	Step 10 - Tr. Will explain Q.A. , odd one out & Similarity , differences between different animals. Step 11 - Tr. Will write correct answer on the B.B. & make them write in W.B.	Discussion & writing						
		W.B. Exercises:- 1-Look tell & write. 2- Play with words. 3- Figure it out.	Step 12 - Tr. Will explain about the behaviour of animals like some are active in the night or day , some live in group , live alone , bold and shy animals etc. & Will write the names on the B. B. will make them write in W.B.	Discussion & writing				W.B.pg. no. 29 , 30		
		Hard words from lesson (N.B.)	Step 13 - Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning			Tx. Bk. Pg. no. 18			
		Revision	Step 14 - Tr. Will revise the lesson orally.	Tr. & students interaction						
		Revision	Step 15 - Tr. Will give them Worksheet to solve in the class.	Worksheet Solving	Worksheet					
		Class test	Step 16 - Tr. Will conduct the class test	Class test writing in N. B.						
5	Our Body	Introduction	Step 1 - Tr. Will show them different things to recognise different functions of our sense organs & will take their response for the same. Step 2 - Tr. Will show them different functions of our sense organs on video.		<u>Students will come to know about the difference between internal organ and external organ.</u>	Taste : food items (lemon , sugar , salt) Smell : different flowers. Touch : rough or hard things Listen: sound making toy.	Online Classroom		7	Make the models of sense organs using Shaadu Maati
		Text book:- Reading by Tr. & students	Step 3 - Tr. Will read the lesson & make them read. Tr. Will explain the topic.	Reading by Tr. & students, Explanation.			Online Classroom	Tx.bk.pg.no. 23, 24 , 25 , 26 ,27 , 28		

		W.B. Exercises: 1- Action words. (touch & feel , smell & tell) 2- You are growing. 3-Count.	Step 4 - Tr. Will discuss different actions done by our sense organs will write on the B.B. & make them write in W.B. Step 5 - Tr. Will Tell them to draw the outline of their palm in W.B. Step 6 - Tr. will discuss 1- How our bones & muscles grow bigger? 2- Which materials are added to grow our body bigger? & will take answers from them & write on the B.B. Make them to write the names of the things our body needs to grow in the W.B. Step 7 - Tr. Will tell them to count the body organs we have & write the names like (I have one nose , head back , neck) in W.B.	Discussion , writing & drawing			Online Classroom	W.B. pg. no. 33, 34 ,35		
		W.B. Exercises:- Short questions	Step 8 - Tr. Will discuss Q. A. with students , will write the answers on B.B. & ask them to write in W.B.	Discussion & writing		sound making toy.	Online Classroom	W.B. pg. no. 36 , 37		
		W.B. Exercises:- What same what different?	Step 9 - Tr. Will discuss Similarity & differences with students , will write on the B.B. & make them write in W.B.	Discussion & writing		Observe things in the home	Online Classroom	W.B. pg.no. 37 , 38		
		Puppet making project	Step 10 - Tr. Will give them project to make hand puppets.	Explanation			Online Classroom			
		What my puppet can do	Step 11 - Students will speak what their puppets can do.	Roll Play.		Hand puppets	Online Classroom			
		W.B. Exercises: - Play with words. My question.	Step 12 - Tr. Will discuss the F.I. B. & question with students & will write answers on B.B. & make them write correct answers in the W.B.	Discussion & writing			Online Classroom	W.B. pg.no. 39 , 40		
		Hard words from lesson (N.B.)	Step 13 - Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning			Online Classroom	Tx. bk. Pg. no.29		

		Revision	Step 14 - Tr. Will revise the lesson orally.	Tr. & students interaction			Online Classroom			
6	Our Food	Introduction	Step 1- Tr. Will ask students to bring healthy food in the class. Step 2 - Tr. Will discuss healthy & junk food with them & write the names on the B.B.	Tr. & students interaction	Students will come to know about the benefits of healthy foods.	Healthy food (Dal , rice , vegetables)	Online Classroom		6	Make a new recipe of any healthy snacks, prepare it. Write about the same in your notebook
		Introduction by showing AV	Step 3 - Tr. Will show them Nutritional healthy eating Educational video.	Observation & learning		https://www.youtube.com/watch?v=O0T3EP4NEpl	Online Classroom			
		Text book:- Reading by Tr. & students	Step 4 - Tr. Will read the lesson & make them read. Tr. Will explain the topic.	Reading by Tr. & students, Explanation.			Online Classroom	Tx.bk.pg.no. 33 ,34 , 35 , 36 ,37 ,38		
		To collect different types of grains (project)	Step 5 - Tr. Will ask them to bring at least 5 types of grain by sticking on charts.	Grains Observation	Different types of grains	Different types of grains	Online Classroom			
		W.B. Exercises : Find out about food. 1- Know your grains. 2- Visit the market. 3- What you eat. 4- Things I ate cooked.	Step 6 - Tr. Will take the names of some cereals , some pulses , vegetables they saw in market , fruits they saw in market. Will write on the B.B. & make them write in the W.B. Step 7 - Tr. Will ask them 1-Which things they eat cooked? 2-Which things they eat raw? Will write the names of food items on B.B. & make them write in W.B.	Discussion & writing			Online Classroom	W.B. pg. no. 41 , 42		

		W.B. Exercises : - Name & darw	Step 8 - Tr. Will Draw the pictures of different colour vegetable & their favourite fruits on the B.B. & make them draw in W.B.	Discussion , writing & drawing		Pictures of Green leafy & Non leafy vegetables , Red or organge , purple , yellow & white vegetables Their favourite fruits .	Online Classroom	W.B. pg. no. 42, 43 , 44		
		W.B. Exercises:- Short questions. What same What different.	Step 9 - Tr. Will discuss Q.A. & similarity & differences between some food items with them & will write on the B.B. & Will make them write answers in W.B.	Discussion & writing			Online Classroom	W.B. pg. no. 44 , 45 , 46		
		W.B. Exercises:- Play with words. My questions.	Step 10 - Tr. Will help them solving Match the pair. Step 11 - Tr. Will write Q.A. on B.B. & make them write in W.B.	Discussion & writing			Online Classroom	W.B. pg. no. 47		
		Oral discussion	Step 12 - Tr. Will discuss importance of fruits , vegetables & grains & will take their responses.	Oral discussion			Online Classroom			
		Hard words from lesson (N.B.)	Step 13 - Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning			Online Classroom	Tx.bk. Pg. no. 38		
		Revision	Step 14 - Tr. Will revise the lesson orally.	Tr. & students interaction			Online Classroom			
		Revision	Step 15 - Tr. Will give them Worksheet to solve in the class.	Worksheet Solving	Worksheet		Online Classroom			
		Class test	Step 16 - Tr. Will conduct class test in N.B.	Class test writing in N. B.						
7	Our Teeth	Introduction	Step - 1 Tr. Will show them video of how to take care of our teeth. & correct method of brushing the teeth.	Learning by observation	Students will come to know about the different types of teeth	https://www.youtube.com/watch?v=Ku-ForS6G3I	Online Classroom		6	Write the names of the different types of teeth present in our mouth and draw the same in the notebook

		Text book:- Reading by Tr. & students	Step 2 -Tr. Will read the lesson & make them read. Tr. Will explain the topic.	Reading by Tr. & students, Explanation.				Tx.bk.pg. no.40 , 41 , 42		
		W.B. Exercises: Looking at teeth. How I got the tooth. Short questions.	Step 3 - Tr. Will discuss the topics & Q.A. with students & will write answer on the B.B. will make them write in the W. B.	Discussion & writing		Model of teeth	Online Classroom	W.B. pg. no. 48 , 49		
		W.B. Exercises : - Talk & write. Play with words.	Step 4 - Tr. Will discuss 1- what type of food we can eat with our teeth? 2- What food we can eat without using our teeth? 3- Steps to brush our teeth.	Discussion & writing			Online Classroom	W.B. pg. no. 49 , 50		
		Hard words from lesson (N.B.)	Step 5 - Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning				Tx.bk.pg.no. 50		
		Revision	Step 6 - Tr. Will revise the lesson orally.	Tr. & students interaction						
8	Taking care of our body	Introduction	Step 1 - Tr. Will discuss with students how they take care of their body? Step 2 - Tr. Will discuss their daily routine with them.	Discussion	Students will come to know about the personal hygiene		Online Classroom		6	Write a paragraph on the importance of keeping ourselves clean in context to Covid-19
		Explanation by showing video	Step 3 - Tr. Will show them video of how to take care of the cleanliness of our body.	Observation & learning		https://www.youtube.com/watch?v=e_gGCunofgl				
		Text book:- Reading by Tr. & students	Step 4 - Tr. Will read the lesson & make them read. Tr. Will explain the topic.	Reading by Tr. & students, Explanation.				Tx. Bk pg. no. 45 ,46 , 47 , 48		

		W.B. Exercises : Clean & bright. Daily routine. How strong are you.	Step 5 - Tr. Will discuss their daily routine. Their ways to brush , to take bath , clean hands ,cleaning nails , Exercises they do to keep themselves fit & healthy. Step 6 - Tr. Will write answers on B.B. & make them write in W. B.	Discussion & writing				W.B. pg. no. 51 , 52		
		W.B. Exercises:- Name and Draw	Step 7 - Tr. Will draw the things we need to take bath , to keep teeth clean , to keep hair clean , to cut nails on B.B. & will make them draw in W.B.	Discussion & drawing				W.B. pg. no. 53		
		W.B. Exercises : - Short questions. What same what different?	Step 8 - Tr. Will discuss Q.A. & similarity & differences with them & will write on the B.B. Tr. Will make them write answers in W.B.	Discussion & writing				W.B. pg. no. 54 , 55		
		W.B. Exercises:- Odd one out. Talk & write.	Step 9 - Tr. Will take the answer of odd one out , games they play, What they do when they fall ill. Tr. Will write answers on B.B. & make them write on B.B.	Discussion & writing				W.B. pg. no. 55 , 56		
		Hard words from lesson (N.B.)	Step 10 - Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning				Tx.bk.pg. no. 49		
		Revision	Step 11 - Tr. Will revise the lesson orally.	Tr. & students interaction						
		Revision	Step 12 - Tr. Will give them Worksheet to solve in the class.	Worksheet Solving	Worksheet					
9	How many,how much?	Introduction	Step -1- Tr. Will bring different measuring instruments in the class . Step -2- Tr. Will ask them to measure different things present in the class (table , B.B. , chair , height of their friends etc.) Step - 3- Tr. Will explain them the recipe of dosa.	Learning by doing.	Students will come to know about the concept of measurement.	Different measuring instruments.	Online classroom		6	Find out the measure of ingredients required to make poha for two persons.
		Explanation by showing video	Step -4- Tr. Will Show them video to measure different objects.	Learning by observing.		Videos	Online classroom			

		Measuring different things at home.	Step -5- Tr. Will give them project to measure different things in market with the help of their parents & bring measurement in the class.	Learning by doing.			Online classroom			
		Text book: Reading by Tr. & students	Step-6-Tr. Will read the lesson & will explain them given topics. Step -7 - Tr. Will make the students read the lesson one by one.	Reading by Tr. & students, Explanation.			Online classroom	Tx. Bk pg no.53 , 54 , 55, 56 , 57 , 58 , 59 ,60 , 61		
		W. B. Exercises: 1- Write a recipe. (Write the recipe at home)	Step - 8 -Tr. Will explain them the recipe of dosa. Take one cup of flour , Put half spoon of salt , 1 cup of rice flour, half a cup of chana flour , 2 chillies , 1 chopped onion , half spoon turmuric powder , 2 spoons of cumin powder . Make a batter by adding water to it. Mix & make dosas on tava.	Learning by observation.		Dosa batter and ingredients required for dosa making.	Online classroom	W.B. pg. no. 59		
		W.B. Exercises: 2- Look for numbers. 3- How heavy is it?	Step- 6 Tr. Will ask them questions. 1- On which things you see numbers written on them? 2- How heavy your school bag is? 3- What you used to make balance? What will you use to weight things like peanuts , chana , corn , button eraser? Step - 7 Tr. will take their answers, write on B.B. & will make them to write in W. B. Step 8 Tr. will draw the picture of balance & make them draw in W.B.	Discussion & writing			Online classroom	W.B. pg. no. 59 , 60		
		W.B. Exercises: 4- How much water does bucket hold? 5- Which jar is bigger?	Step - 8-Tr. Will discuss number of mugs of water will use to fill a big & a small bucket. Step - 9- Tr. Will draw the picture of jars from tallest to shertest & shortest to tallest on B. B. & will make them to draw in the W.B.	Discussion , writing & drawing		5- Drawing the pictures of jars In W. B.	Online classroom	W.B. pg. no. 61, 62		

		W.B. Exercises: 6- Tick -tick counting.	Step - 10 - Tr. Will play passing the duster with students & will count the number of tick-ticks duster reach the last student. Tr. Will make them write the answer in W.B.	Play way method			Online classroom	W.B. pg.no. 62		
		W.B. Exercises: Name & Draw	Step - 11 - Tr. Will draw the pictures of pan balance , digital balance & clock & will tell them to draw in W.B.	Drawing				W.B. pg. no. 63		
		W.B. Exercises : Short Questions.	Step- 12-Tr. Will discuss Q.A. with students & will write answers on B.B. & will make them write correct answers in W. B.	Discussion & writing			Online classroom	W.B. pg.no. 63 , 64 , 65 , 66		
		Hard words from lesson (N.B.)	Step - 13- Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning			Online classroom	Tx.bk. Pg. no. 59		
		Revision	Step - 14- Tr. Will recap the lesson orally.	Tr. & students interaction						
10	How long, how high, how far?	Introduction	Step 1- Tr. Will ask students to measure the height of each other. Distance of B.B. from door with hand span , foot & measuring tape ,length of B.B. , height of table , chair.	Learning by doing.	Students will come to know the concept of length, breadth and height and how to measure various things .	Different measuring instruments.	Online classroom		6	Measure the length and breadth of your window and write it in your notebook
		Text book:- Reading by Tr. & students	Step 2 - Tr. Will read & explain the lesson. Step 3 - Tr. Will make students to read the lesson one by one.	Reading by Tr. & students, Explanation.			Online classroom	Tx. Bk. Pg. no. 64 , 65 , 66 , 67		
		W.B. Exercises:- 1- Growing taller. 2- Tall & short. 3-Measure with your body. 4- Measure with other things.	Step 4- Tr. Will mark their heights on the wall & will observe how tall they are? Step 5 - Tr. Will make them write the names who is the tallest & shortest student in the class. Step 6 - Tr. Will make them write which things we can measure with our hand, fingers , foot etc.	Discussion & writing			Online classroom	W.B. pg. no. 68 , 69		

[illegible]

11	Houses of all kinds	Introduction	<p>Step 1- Tr. Will introduce the topic by Showing the chart & asking them about their own house.</p> <p>Tr. questions :1-How do you feel in your own house ?</p> <p>2- What facilities you have in your house?</p> <p>Step 2 - Students will answer the questions.</p> <p>3- Have you seen animals home?</p> <p>4- Which animals you have seen living in their own house?</p>	Oral discussion	Students will come to know about the differeent measuring units.	https://www.youtube.com/watch?v=ZISBEuSZ5o (animal houses Video)	Online classroom		5	Make different types of houses using waste materials
		Introduction by showing AV	Step 3- Tr. Will show them AV to Observe different types of houses made by people as well as animals.	Learning by observation.		https://www.youtube.com/watch?v=-casfzsV8p4 (human houses)	Online classroom			
		Textbook : Reading by Tr. & students	<p>Step 4 - Tr. Will read & Explain the lesson.</p> <p>Step 5 - Tr. Will make students to read the lesson one by one.</p>	Reading by Tr. & students, Explanation.				Tx.bk pg. no. 73 , 74 , 75 ,76 , 77 , 78		
		W.B. Exercises : 1- Make a nest. 2- Homes inside your home. 3- What your classroom is made of?	<p>Step 6 - Tr. Will draw the picture of the nest we found on the B.B. & will make them to draw in W. B.</p> <p>Step 7 - Tr. Will ask question. 1- Which animals make their house in your homes?</p> <p>Step 8 - Tr. Will write answer on the B.B. & make them to write in W.B.</p> <p>Step 9 - Tr.Will discuss What your classroom is made of? Will make them to write answer in W.B.</p>	Discussion , writing & drawing			Online classroom	W.B. pg. no. 81,82		Make a nest

		W.B. Exercises: 4- What your home is made of? 5- Where people live? 6- Things that people build.	Step 10 - Tr. Will ask student What your home is made of ? Will make them to write answers in W.B. Step 11 - Tr. Will discuss The name of the house & What it is made of? & will make them to write the answer in W.B. Step 12 - Tr. Will discuss the names of the road & What it is made of? & will make them write answer in W.B.	Discussion & writing			Online classroom	W.B. pg. no. 82 , 83		
		W.B. Exercises : Name & Draw	Step 13 - Tr. Will draw the pictures of bird house ,spider web , your own house on the B.B. & will make them draw in W.B. Step 14 - Tr. Will discuss Q. A. with them , will write correct answer on B.B. & will make them write answers in W.B.	Discussion , writing & drawing		3- Drawing the pictures of bird's nest , spider web , your own house in W. B.	Online classroom	W.B. pg. no. 84 , 85		
		W.B. Exercises : Short questions.	Step 14 - Tr. Will discuss Q. A. with them , will write correct answer on B.B. & will make them write answers in W.B.	Discussion & writing			Online classroom	W.B. pg. no. 86 , 87		
		W.B. Exercises : What same What different?	Step 15 - Tr. Will discuss similarity & differences between some house materials with students, will write answers on the B.B. & will make them write answer in W.B.	Discussion & writing			Online classroom	W.B. pg no . 88		
		W.B. Exercises: Odd one out. Talk & write. Ask question.	Step 16 - Tr. Will discuss odd one out with them will write correct answer on B.B. & make them write in W.B. Step 17 - Tr. Will ask questions. 1-Why we need a house? 2- Describe house of an animal. Which animal it belongs to? Step 18 - Tr. Will take answers from them, will write on B.B. & students will write answers in W. B.	Discussion & writing			Online classroom	W.B. pg no. 89.90		
		Hard words from lesson (N.B.)	Step - 19 Tr. will write hard words from lesson on B.B. Students will write in their NB & learn the words.	Writing and learning			Online classroom	Tx.bk.pg.no. 78		
		Revision	Step 20 - Tr. Will revise the lesson orally.	Tr. & students interaction			Online classroom			

		Revision	Step 21 - Tr. Will make them solve worksheet in the class.	Worksheet Solving	Worksheet		classroom			
12	Make your own house	Introduction	Step 1 - Tr. Will ask the students to do the following: 1-Rub the dry mud on your palm. 2- smell the dry mud. 3-See the colour of the dry mud. 4-How the mud looks , feels & smells 5- rub the wet mud on the palm. 6-Smell the wet mud. 7- See the colour of wet mud.	Learning by observation.	Students will come to know about the different materials used for building houses.	Soil sample	Online classroom		6	Make a recycled paper
		Explanation by showing video	Step 2 - Tr. Will Show them video How to make the bricks?	Learning by observation.		https://www.youtube.com/watch?v=ddMRD0MGIGg	Online classroom			
		Text book: Reading by Tr. & students	Step 3 - Tr. Will read & explain the lesson. Step 4 - Tr. Will make them read the lesson one by one.	Reading by Tr. & students, Explanation.			Online classroom	Tx. Bk. Pg. no. 81 , 82 , 83 ,84
